

Mobile Vaccination Clinic

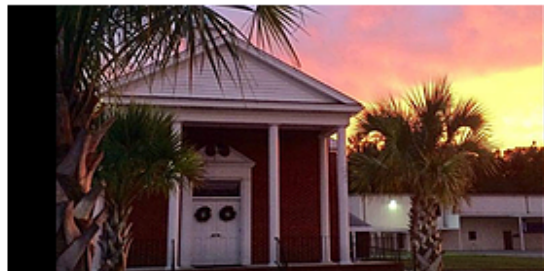

Effective March 31st, vaccines are open to all individuals 16 years and older. Fetter currently only offers the Moderna. The emergency use authorization allows this vaccine to be distributed to individuals 18 years of age and older. The schedule below denotes which vaccines are given for the upcoming clinics. The Moderna vaccine is a 2 dose series. Select the link above to learn more details on dose 2 Moderna clinics.

Fetter now accepts patients with scheduled appointments, as well as, those without an appointment. Select the link below to schedule an appointment.
